

## Two-Year Institution Items

The Faculty Survey was designed to provide useful information about faculty at all types of institutions. Because two-year institutions often have different ways of categorizing faculty, some items were reworded to be more applicable to faculty at two-year institutions. These items will only be included for two-year institutions, and will replace questions 2 and 3 on the instrument when it is used by two-year institutions.

2. What is your current status at this institution?

- Tenured
- Probationary, Tenure Track
- Renewable Contract Instructor (e.g., Adjunct)

*IF TENURED, NESTED ITEM*

i. Please enter the four-digit year you received tenure (e.g., 1974, 2001). \_\_\_\_\_

3. What is your academic rank at this institution?

- Acting Instructor
- Instructor
- Assistant Professor
- Associate Professor
- Professor
- Emeritus
