

$$a^3+b^3=(a+b)(a^2-ab+b^2)$$

$$a^m a^n = a^{m+n}$$

$$y=x-1/8(1/xy)+x$$

$$x \neq y \quad x = \infty$$

YOU'RE PART
OF THE
EQUATION.

Take the Faculty Survey

Your voice impacts our institution.

**Sharing your views, values, and teaching practices
provides important insight into the culture of**

Did you know?

Used class discussions
in all or most
of their courses

Engaged in public discourse
about their research
or field of study

Worked with
undergraduates
on a research project

Tell us about your experience this year:

In partnership with the Higher Education Research Institute. www.heri.ucla.edu

The Faculty Survey is administered by the Cooperative Institutional Research Program (CIRP) at the Higher Education Research Institute (HERI) at UCLA.
